An Asterik (*) following the score denotes a tie that was broken by the tie breaking method listed below

Ties were broken and a winner determined on the basis of the best score for the last six holes, last three holes, and finally the last hole of the competition course. If a tie still existed, a winner was determined on the basis of the best score made beginning on the lowest handicap allocation hole through the highest allocation handicap hole for that nine holes. If these tie-breaking methods did not produce a winner, a coin toss broke the tie.
