Welcome New Homeowner:

On behalf of everyone at Lennar Homes, congratulations and welcome to Plantation Lakes! I hope that you find your new home here at Plantation Lakes, everything you imagined and more. Please pardon our dust, dirt, and construction crew as we work diligently to finish the homes. We are eager to restore the peace and solitude of a living away from a construction zone.

1. If anything is out of place or causes a disturbance to you outside the norm, please contact us immediately (i.e. disrespectful contractors, trash in your yard, etc.).
2. In an effort to provide the same cost value to your future neighbors, please refrain from using the construction dumpsters on site. It is not only unlawful, but this can greatly affect our ability to maintain a clean jobsite and control the costs forwarded to our customers.

Below are directions to the nearest waste facility:
